

How can I participate in the Sedona Shuttle Study?

Stay informed. An initial group of stakeholders was consulted in the first stages of the study. We hope you will participate, too.

Look on-line. Draft reports, presentations, and other information about the study are available on the Website: www.ci.sedona.az.us.

Add your name to the mailing list. We will keep you updated as the project progresses and inform you about meetings and presentations. Call Mike Raber, Associate Planner with the City of Sedona, at (928) 204-7106.

Participate in the Community Open House on September 18. The Open House will be held from 3:00 pm to 7:00 pm at Yavapai College Sedona Center for Arts and Technology, 4215 Arts Village Drive, Room 34 (at the Sedona Cultural Park in west Sedona).

A shuttle system serving Zion National Park was reviewed as a model for service in Sedona.
